

My Piece of History

Activity 2: History Detectives

Name _____ Teacher's Name _____

Choose one mystery object to research at home and interview an older member of your family about this object. Ask them the questions, below, and fill in their answers. (Ask for help if you find you need it.)

If you have Internet access, you might also send your family member a picture and have them answer you by text or email.

Historical Object Research	
What is the object?	
When did people use it? What was happening back then?	
Does it bring back memories? What does it tell us about the past?
